AIRCRAFT PAINTER
AIRCRAFT EXTERIOR REFINISHING

FLYING COLOURS AVIATION

JOB DESCRIPTION

FLYING COLOURS AVIATION is expanding its aircraft painting operations to Townsville Airport Queensland, we require experienced surface refinishers with proven ability to work with a range of aircraft types according to stringent best practise standards. The right candidates will work within a small team to ensure all activities are carried out on time and at an exceptional standard.

JOB REQUIREMENTS

- A minimum of 3 years experience
- Technical knowhow of paint shop processes, procedures, methods and practises of aircraft preparation, paint stripping, topcoat and livery application
- Ability to apply coatings using a wide range of equipment i.e. Electrostatic, Airless air assisted and conventional spray guns.
- Self motivated and able to work independently
- A good understanding on the behaviours of paints and paint removers
- Proven work related paint shop knowledge in accordance with process specifications, technical and manufacturer's instructions, aviation regulations
- Good communication skills in English
- Good understanding of Safety and Environmental regulations
- **3 contactable references – aircraft related only.**

EXPERIENCE

Minimum 3-5 years of aircraft paint experience on:

Boeing 737 – 3 / 4 / 5 / 7 / 8 / 900 & BBJ
Airbus A319 / 320 / 321
Corporate / RPT
Military - Lockheed C-130H / J
Lockheed P-3C Orion

Overseas applications are welcome, successful applicants may be considered under the Employer Sponsorship 457 Visa (please refer to Australian Immigration Employee requirements relating to this Visa type). Successful candidates will be responsible for all expenses in relocating to Australia and Visa requirements.
